

Dear [Mentor Name],

To support your upcoming mentorship session, we'd like to introduce you to Hotshot's Discussion Guides. These guides include hypotheticals and talking points that complement the videos you and your mentee have been watching. You can find them [here](#). We will be starting with "[Guide Name]" for next week's session on [Course Name]. These materials are designed to spark meaningful conversations while minimizing your prep time.

Thank you,
